EDUCATION / COURSES

Bachelor's program "Information and Communication Technologies and Systems"

HSE University

Sep 2018 – Jul 2022

Minor "Data Mining"

HSE University

Sep 2019 – Jul 2021

Specialization "Deep Learning"

Coursera

Jul 2020 – May 2021

PROJECTS

Connect 4

- Backend of Connect 4 Skills App
- Development of an algorithm for choosing the optimal game strategy
- The implemented method was ranked 23rd in the competition dedicated to this game on Kaggle

Cryptography Application

- Development of client-server architecture
- Implementation of various cryptography methods

Sudoku Solving Program

- A method for completely solving any Sudoku
- Partial solution output (user hint)
